

Recognising & responding

Respond when
something
disappears
or changes

Peeka
boo!

Rely on facial expressions
to communicate

Gaze at other's faces
and copy expressions

Lots of emotions

Sensitive to other's emotions and
their own (many hugs and cuddles needed!)

Express discomfort
hunger or thirst
and wait for
food with
interest

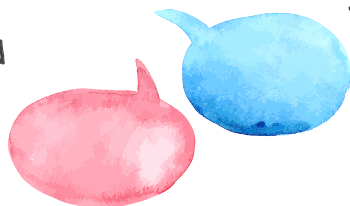

Recognise
name

Hiya!

Understand simple
words and follow
other's gestures

Use basic sounds and
gestures to respond

Enjoy looking
through books

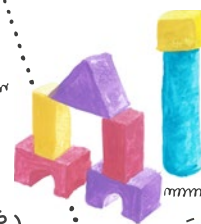

Books & numbers

See change in
number of objects,
images and sounds
in groups up to...

3

How to move

Watch hands and
feet to figure out
how they work

Explore objects
with mouth, pick
up toys and hold
a cup or bottle

Sit up without
support and
start to
crawl or
shuffle
