

Making relationships

Start to bond with others and make new friends

Understand **yes** and **no**, basic boundaries and how actions impact others

Focus more closely on objects and people around them

Hands and feet

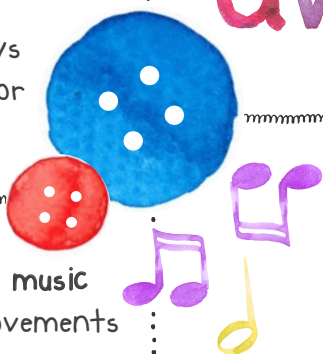

Become more confident moving or walking (maybe even tackle the stairs!)

Bring objects together or build them in simple structures and play with damp sand and crayons

Show interest in toys with buttons, flaps or other moving parts

Have fun dancing to music and making other movements

First words & more

Use counting words at random

Begin to say and understand single words or simple phrases

Growing interest in picture books, rhymes, numbers and shapes

Show interest in dressing and undressing themselves

Body awareness

Start to use the potty

Enjoy finding nose, eyes and tummy as part of a game
